

Classic Elegance

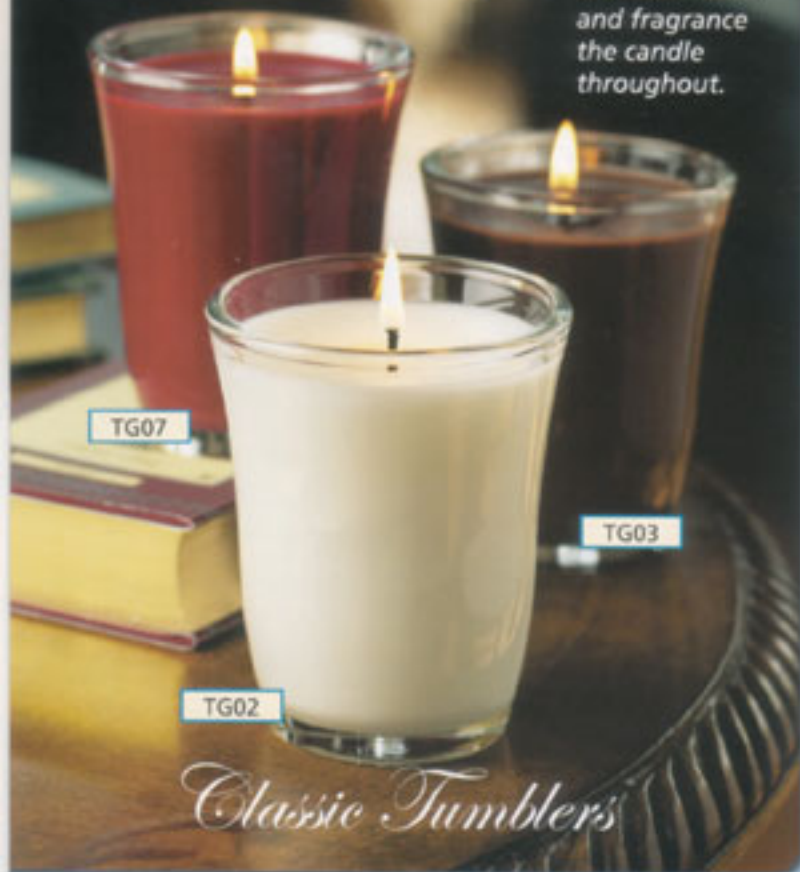

A collection of blue-themed spa products is displayed on a wooden surface. In the foreground, a clear glass bottle with a silver cap holds several light-colored reeds. To its right is a lit blue candle in a glass jar with a gold wire handle. In front of the candle is a glass filled with blue wax melts. The background is a soft-focus green plant, and the foreground is decorated with smooth, dark and light-colored stones.

Great For Gifts

And great for anyone who
loves to fill a room with atmosphere
and beautiful fragrances.

We use only pure, naturally blended waxes and fragrance the candle throughout.
